

SAFE AND INCLUSIVE CODE OF CONDUCT

All employees, volunteers, members and others using Spring Lane Tennis Club are required to abide by this code of conduct.

This is required in order to support the club in providing a welcoming and safe environment for all children and young people and in the implementation of its child protection policies and procedures.

All those coaching on or using the courts at Spring Lane should:

- Prioritise the well-being of all children and adults at all times
- Respect the rights, dignity and worth of every person within the context of our sports
- Display high standards of behaviour. Always work in an open environment (avoid private or unobserved situations)
- Promote fair play values: enjoy; respect
- Keep clear boundaries between your professional and personal life, including social media
- Check you have relevant consent from parents/carers, children and adults before taking or using photos and videos
- Where possible, do not be alone with a child or adult at risk (LTA guidance does allow for public 1:1 coaching as defined within the good practice guidelines)
- Do not abuse, neglect, harm or discriminate against anyone; or act in a way that may be interpreted as such

Safeguarding is the responsibility of everyone. Not responding to a safeguarding disclosure is not an option. Doing nothing is NOT an option: report all concerns and disclosures as soon as possible.

Our coaches, James Barnard and George Wilson are LTA accredited and have undergone relevant Safeguarding training
